

2018 END OF YEAR DISPLAY

Dear Parents,

Our 2018 End of Year Display will be taking place on the weekend of **Friday 7th, Saturday 8th & Sunday 9th December** at the **Mt Waverley campus (7 Dorrington Drive)**. This event provides our gymnasts with an opportunity to show parents what they have learnt in gymnastics this year, as well as perform a group display to music. The End of Year Display is for all once a week gymnasts (Gymskills 1-8) as well as our Foundation and Pre Squad classes. During the display, gymnasts will move around set up circuits in groups with coaches, and at the end of each rotation a group will perform a display dance to music. Gymnasts will be involved for the entire session and we encourage all parents to come and watch! All of our gymnasts participating will receive a memento trophy at the end of their session.

All Friday and Saturday classes will be attending their End of Year Display at Mt Waverley at the time scheduled below instead of their usual class, so please take special note that there will be NO classes held at the usual time/campus for Friday and Saturday gymnasts.

We look forward to seeing you all there! There is a list of Frequently Asked Questions on the final page, but if you have any other queries please don't hesitate to contact the office on 9887-9611 or email admin@wgc.org.au.

2018 End of Year Display Frequently Asked Questions

Does my child need a club uniform to participate?

If gymnasts have a club leotard or t-shirt then we encourage them to wear it on the day. If they don't, any leotard or t-shirt and shorts/leggings will do! Gymnasts are also asked to try and wear something in their group colour (such as ribbons, coloured hairspray, coloured zinc cream, arm-bands, etc) so we can easily identify each of our groups on the day.

How do I know what group my child will be in?

Session times are attached, along with the colour assigned to their group. If you are confused about your child's session time or day please see one of our friendly coaches or contact the office.

Will a special costume be required for the group dance?

Your child's coach may ask the children to "accessorise" to set the scene for the dance, but there is no separate costume required.

I have two children enrolled; will they be placed in the same session?

There will be several sessions throughout the day to cater for the ever-increasing number of gymnasts participating. Groups are organised by campus and day of training so if your children attend different campuses or are on different days/times they may be in different sessions.

Is there a separate charge for the End of Year Display?

The Club Display has already been incorporated into your account as an additional class and therefore there is no other charge imposed.

Does the End of Year Display replace the class for my child that week?

The End of Year Display is in addition to your child's usual class that week. The only exception is for those gymnasts that usually train on a Friday or Saturday and in this case the Display does replace their usual class.

My child attends on a Friday or Saturday; does this mean that I am billed for both the usual class and the End of Year Display?

No, all Friday and Saturday gymnasts will receive a credit for one class off their December instalment.

We cannot attend the End of Year Display so when will my child receive the badge and trophy paid for?

Your child's coach will ensure that they receive their awards at the next class.

Kind Regards,

Cassie Watson
Display Day Coordinator
